ASEAN Conference on Combating Plastic Pollution (ACCPP) 2024

*Action, Innovation and Partnership
to phase out plastic pollution*

Event Background:

The ASEAN Conference on Combating Plastic Pollution (ACCPP) builds on the success of the last year's ACCPP event in Jakarta, Indonesia. This year's conference aims to strengthen regional collaboration and accelerate solutions to plastic pollution, with a focus on developing a legally binding global agreement. It will bring together policymakers, innovators, businesses, and NGOs to share knowledge, best practices, and showcase innovations.

Key Objectives:

- Share knowledge and experiences on plastic pollution solutions.
- Promote collaboration between innovators, businesses, and governments.
- Showcase best practices and National Plastic Action Plans.
- Discuss legally binding agreements and sustainable economic development.

Activities:

- Keynote Presentation
- Panel discussions
- Exhibition
- Innovation Pitch
- Networking
- Extended Producer Responsibility (EPR)
- Plastic Circularity
- Global Plastic Treaty
- Informal Waste Workers
- Breaking the Plastic Habit
